Wendell Strode, NCM president/CEO has retired and Dr. Sean Preston has taken the position. Upgrades are being made to the Performance Gallery. An exhibit of Car-Toons and the influence of designs by Ed "Big Daddy" Roth, creator of Rat Fink. Exhibit also includes some Transformer Cars (from the movie). Rich Bongeorno asked if they had the green one or silver one on display. Yes, to both.

Amy discussed the desire of the museum to own its vehicles on display as opposed to having them be on loan. A unique vehicle has become available to the museum and Amy presented the opportunity to the club members to individually make donations in honor of the club of this car: The XP987, a mid-engine prototype offered for purchase to the NCM. The total amount of donations would need to total \$25,000 over a period of 5 yrs. for the club name to attached as sponsor of this car.

Tours of the factory to be resumed probably in April. C8 will be available to drive at the NCM Motorsports Park.

Amy presented Cheryl with an NCM Club Presidents' Pin.

Rydell Chevrolet – Steve Cowan: Steve reported that **Dottie A** has ordered a new C8 yellow convertible. Not sure if it will be a 2020 delivery or considered a 2021 model year delivery.

Sponsorship agreement has been presented to Rydell management and we are waiting for approval and the check. Also, they will have a C8 for us to test drive, most likely a 2021.
